## World Cafe Discussion - "Minor Gods" from *D'Aulaire's*

<p>1. On page 71, what does the word lavished mean in the following sentence? "Epimetheus rapidly made all kinds of animals and without any foresight, he <b>lavished</b> the good gifts upon them. When Prometheus had finished shaping man he found that there were few of the good gifts left." RL 7.4</p>	<p>2. What is the primary conflict of the myth of Prometheus? How does this conflict impact the secondary human characters in the story? RL 7.3</p>
<p>3. Why have the authors included the first section on page 70? How does this section help the reader to comprehend the text? RL 7.5</p>	<p>4. In many books, the stories of Prometheus and Pandora are told separately. Why do you think the authors chose to link them in this version? RL 7.5</p>
<p>5. What is the theme of the Pandora story? What story details did the author use to develop this theme? RL 7.2</p>	<p>6. What message about technology are both of these stories conveying? RL 7.2</p>
